18730. Provisions of Conflict of Interest Codes
(Gov. Code Sections 87300 - 87302)

(a) Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a conflict of interest code within the meaning of Government Code Section 87300. Such procedures will require the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 81000, et seq. The requirements of a conflict of interest code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code Section 87100, and to other state or local laws pertaining to conflicts of interest.

(b) The terms of a conflict of interest code adopted and promulgated pursuant to this regulation are as follows:

Section 1. Definitions.

The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Adm. Code Sections 18100 et seq.), and any amendments to the Act or regulations, are incorporated by reference into this Conflict of Interest Code.

Section 2. Designated Employees.

The persons holding positions listed in the Appendix are designated employees. It has been determined that these officers and employees make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

Section 3. Disclosure Categories.

Those designated employees, if any, specified in Government Code Section 87200 shall file statements of economic interests pursuant to Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 87200, et seq.[1/] With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of financial interests are reportable. Such a designated employee shall disclose in his or her statement of economic interests those financial interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in the Appendix. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interests which he or she foreseeably can affect materially through the conduct of his or her office.

---

1/ Designated employees who are required to file statements of economic interests under any other Conflict of Interest Code and those Article 2 filers who are designated in this code in a capacity which is in addition to their Article 2 capacities may file identical expanded statements of economic interests with both entities in lieu of filing separate and distinct statements. Each expanded statement shall be originally signed by the designated employee, and shall include interests made reportable by virtue of both positions.

Section 4. Statements of Economic Interests: Place of Filing.

The code reviewing body shall instruct all designated employees required to file statements of economic interests pursuant to this conflict of interest code to file in accordance with one of the following procedures:[2/]

(a) All designated employees shall file statements of economic interests with the agency, and the head of the agency shall be the filing officer for all designated employees other than the head of the agency and members of boards or commissions not under a department of state or local government. Upon receipt of the statements of economic interests of the head of the agency and board members or commissioners, the agency shall make and retain a copy of each and forward the originals of these statements to the code reviewing body, which shall be the filing officer with respect to these statements, within five days of the filing deadline or five days of receipt in the case of statements filed late.

(b) All designated employees shall file statements of economic interests with the agency, which shall make and retain a copy and forward the originals to the code reviewing body, which shall be the filing officer.

(c) All designated employees shall file statements of economic interests with the code reviewing body, which shall be the filing officer.

---

[2/] The filing officer can delegate ministerial tasks such as the receipt and review of statements but not the ultimate responsibility to assure that such tasks are carried out correctly and expediently. See Government Code Section 81010 and 2 Cal. Adm. Code Section 18115.

Section 5. Statements of Economic Interests: Time of Filing.

(a) Initial Statements. All designated employees employed by the agency on the effective date of this Code shall file statements within thirty days after the effective date of this Code.

(b) Assuming Office Statements.

(1) All persons assuming designated positions after the effective date of this Code which are civil service or merit system positions, shall file statements within thirty days after assuming the designated positions.

(2) All other persons appointed, promoted or transferred to designated positions after the effective date of the Code, shall file statements within ten days after assuming office, or if subject to confirmation, ten days after being nominated or appointed.

(c) Annual Statements. All designated employees shall file statements no later than April 1.

(d) Leaving Office Statements. All persons who leave designated positions shall file statements within thirty days after leaving office.

(e) Candidate Statements. All candidates for election to designated offices other than those specified in Government Code Section 87200 shall file statements within five days after the final date for filing nomination petitions.

This subsection shall not apply to candidates who have filed a statement of economic interests with the agency within the previous twelve months.

Section 6. Contents of Statements of Economic Interests.

(a) Contents of Initial Statements. Initial statements shall disclose any reportable investments, interests in real property and management positions held on the effective date of the Code.

(b) Assuming Office Statements. Assuming office statements shall disclose any reportable investments, interests in real property and management positions held on the date of assuming office or on the date of nomination whichever is earlier.

(c) Contents of Annual Statements. Annual statements shall disclose any reportable investments, interests in real property, income and management positions held or received during the previous calendar year provided, however, that the period covered by an employee's first annual statement shall begin on the effective date of the Code or the date of assuming office whichever is later.

(d) Contents of Leaving Office Statements. Leaving office statements shall disclose reportable investments, interests in real property, income and management positions held or received during the period between the closing date of the last statement filed and the date of leaving office.

(e) Candidate Statements. Candidate statements shall disclose any reportable investments and interests in

real property, and management positions held on the date of filing the nomination petitions.

Section 7. Manner of Reporting.

Statements of economic interests shall be made on forms prescribed by the Fair Political Practices Commission and supplied by the agency, and shall contain the following information:

(a) Investment and Real Property Disclosure. When an investment or interest in real property[3/] is required to be reported,[4/] the statement shall contain the following:

(1) A statement of the nature of the investment or interest;

(2) The name of the business entity in which each investment is held, and a general description of the business activity in which the business entity is engaged;

(3) The address or other precise location of the real property;

---

3/ For the purpose of disclosure only (not disqualification), an interest in real property does not include the principal residence of the filer.

4/ Investments and interests in real property which have a fair market value of less than $1,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in which the individual, spouse and dependent children own, in the aggregate, a direct, indirect or beneficial interest of 10 percent or greater.

(4) A statement whether the fair market value of the investment or interest in real property exceeds one thousand dollars ($1,000), exceeds ten thousand dollars ($10,000), or exceeds one hundred thousand dollars ($100,000).

(b) Personal Income Disclosure. When personal income is required to be reported,[5/] the statement shall contain:

(1) The name and address of each source of income aggregating two hundred fifty dollars ($250) or more in value, or twenty-five dollars ($25) or more in value if the income was a gift, and a general description of the business activity, if any, of each source.

(2) A statement whether the aggregate value of income from each source was one thousand dollars ($1,000) or less, greater than one thousand dollars ($1,000), or greater than ten thousand dollars ($10,000);

(3) A description of the consideration, if any, for which the income was received;

(4) In the case of a gift, the name, address and business activity of the donor and any intermediary through which the gift was made; a description of the gift; the amount or value of the gift; and the date on which the gift was received.

---

5/ A designated employee's income includes his or her community property interest in the income of his or her spouse but does not include salary or reimbursement for expenses received from a state, local or federal government agency.

(c) Business Entity Income Disclosure. When income of a business entity, including income of a sole proprietorship, is required to be reported,[6/] the statement shall contain:

(1) The name, address, and a general description of the business activity of the business entity;

(2) The name of every person from whom the business entity received payments if the filer's pro rata share of gross receipts from such person was equal to or greater than ten thousand dollars ($10,000).

(d) Management Position Disclosure. When management positions are required to be reported, a designated employee shall list the name and address of each business entity in which he or she is a director, officer, partner, trustee, employee, or in which he or she holds any position of management, a description of the business activity in which the business entity is engaged, and the designated employee's position with the business entity.

(e) Acquisition or Disposal During Reporting Period. In the case of an annual or leaving office statement, if an investment or interest in real property was partially or wholly acquired or disposed of during the period covered by the statement, the statement shall contain the date of acquisition or disposal.

---

[6/] Income of a business entity is reportable if the direct, indirect or beneficial interest of the filer and the filer's spouse in the business entity aggregates a 10 percent or greater interest. In addition, the disclosure of persons who are clients or customers of a business entity is required only if the clients or customers are within one of the disclosure categories of the filer.

Section 8. Disqualification.

Designated employees must disqualify themselves from making, participating in the making or using their official positions to influence the making of any governmental decision which will foreseeably have a material financial effect, distinguishable from its effect on the public generally, on:

(a) Any business entity in which the designated employee has a direct or indirect investment worth more than one thousand dollars ($1,000);

(b) Any real property in which the designated employee has a direct or indirect interest worth more than one thousand dollars ($1,000);

(c) Any source of income, other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating two hundred fifty dollars ($250) or more in value received by or promised to the designated employee within twelve months prior to the time when the decision is made; or

(d) Any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management.

The effects on a designated employee's financial interests of a decision by a landowner voting district to set ad valorem property tax assessments is not distinguishable from the effects such a decision will have on the public

generally within such a district. The effects on a designated employee's financial interests of a decision by a utility district to set rates is not distinguishable from the effects such a decision will have on the public generally unless the designated employee's financial interests constitute more than 2 percent of the users to whom the rate will be applicable.

No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a designated employee who is on a voting body is needed to break a tie does not make his or her participation legally required for purposes of this section.

Section 9. Manner of Disqualification.

When a designated employee determines that he or she should not make a governmental decision because he or she has a financial interest in it, the determination not to act must be accompanied by disclosure of the financial interest. In the case of a voting body, this determination and disclosure shall be made part of the agency's official record; in the case of a designated employee who is the head of an agency, this determination and disclosure shall be made in writing to his or her appointing authority; and in the case of other designated employees, this determination and disclosure shall be made in writing to the designated employee's supervisor.

Section 10. Opinions of the Commission and Counsel.

(a) Any designated employee who is unsure of his or her duties under this Code may request a formal opinion

or written advice from the Fair Political Practices Commission pursuant to Government Code Section 83114, or an opinion from the attorney for his or her agency, provided however that nothing in this section requires the attorney for the agency to issue such an opinion.

(b) If the designated employee truthfully discloses all material facts, an opinion or written advice provided by the Commission protects the designated employee from administrative, civil and criminal penalties to the extent provided for in Government Code Section 83114. If the designated employee has truthfully disclosed all material facts to the attorney for his or her agency, and an opinion is rendered by the attorney stating in full the facts and law upon which the opinion is based, compliance by the designated employee with such opinion may be evidence of good faith in any civil or criminal proceeding brought pursuant to the Political Reform Act, Government Code Sections 81000, et seq. In addition, the designated employee's good faith compliance with the opinion of the attorney for the agency shall act as a complete defense in any disciplinary action the agency may bring under Government Code Section 91003.5.

(c) Copies of any opinion rendered by the attorney for an agency pursuant to this section shall be delivered to the designated employee requesting the opinion and to the Fair Political Practices Commission and shall be maintained in the files of the agency. Such opinions may subsequently be modified by the attorney for the agency or by the Commission,

but such modifications or revisions shall be prospective in effect and shall take effect only after notification has been given the designated employee who requested the opinion.

Section 11. Violations.

This Code has the force and effect of law. Designated employees violating any provision of this Code are subject to the administrative, penal and civil sanctions provided in the Political Reform Act, Government Code Sections 81000 - 91014.

RESOLUTION NO. 81-43

(Resolution Ordering a Reorganization Consisting of the Detachment of Territory from the Elkhorn Fire Protection District and the Annexation of a Portion of that Territory to the Westgate Fire Protection District)

WHEREAS, the Board of Directors of the Elkhorn Fire Protection District, the Westgate Fire Protection District, the East Yolo Fire Protection Agency have all adopted Resolutions of Application for the Reorganization of Territory consisting of the detachment and annexation of territory; and

WHEREAS, on February 3, 1981, this board adopted its resolution initiating proceedings for said reorganization and ordered a hearing to be held on March 17, 1981, at the hour of 2:00 o'clock p.m. in the Chambers of the Board of Supervisors, Room 207, County Courthouse, Woodland, California, and directed its Clerk to cause notice of said hearing

to be published, posted, and mailed as required by law; and

WHEREAS, notice of this public hearing was published, posted and mailed as directed by said resolution initiating proceedings, and as required by law; and

WHEREAS, the matter of said reorganization came for hearing at the time and place set forth in said notice; and

WHEREAS, at said hearing, prior to consideration of protests, the Yolo County Local Agency Formation Commission's resolution making determinations was summarized or read aloud; and

WHEREAS, this Board received and heard any and all written or oral protests to said reorganization; and

WHEREAS, this Board heard and considered all the factors required by Government Code Section 56435, and in particular, this Board received and considered the following:

a. Reports on said reorganization submitted to the Yolo County Local Agency Formation Commission by its Executive Officer.

b. A resolution making determinations adopted by said Commission on December 9, 1980.

c. A Negative Declaration adopted by said Commission.

d. All testimony of interested persons.

e. Any factors which may be considered by said Commission as provided by the Knox-Nisbet Act.

f. All other matters which it has deemed material to the reorganization.

WHEREAS, this Board determined that the proposed reorganization does not provide for the formation of, or the annexation or detachment of territory to

COUNTY COUNSEL
COUNTY OF YOLO

or from a benefit district, and that the terms and conditions of the proposed reorganization do not provide for the formation of a new improvement district or the annexation or detachment of territory to or from an existing improvement district.

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the Board of Supervisors of the County of Yolo as follows:

1. Each and every recital set forth hereinabove is hereby found to be true and correct.

2. The nature of each proposed change of organization and the name or names of all districts for which any change of organization is proposed are as follows:

a. Detachment of territory from the Elkhorn Fire Protection District.

b. Annexation of territory to the Westgate Fire Protection District.

3. As herein provided, this Board hereby approves and orders the reorganization consisting of the detachment of territory from the Elkhorn Fire Protection District, and the annexation of a portion of that territory to the Westgate Fire Protection District.

4. This Board finds that the detachment of territory from the Elkhorn Fire Protection District and the annexation of a portion of that territory to the Westgate Fire Protection District is in the public interest.

5. The proposed reorganization will be for the interest of affected counties, cities, and districts, and landowners, and present and future inhabitants in the territory subject to the reorganization.

6. This Board hereby determines that it is fair, just, and equitable to detach from the Elkhorn Fire Protection District that territory owned by the State of California, and used as the California Highway Patrol Academy, and

OFFICE OF THE
COUNTY COUNSEL
COUNTY OF YOLO
P. O. BOX 127
WOODLAND, CA 95695

not to annex that territory to the Westgate Fire Protection District, or to any other fire protection district. This determination is based upon the fact that the Elkhorn Fire Protection District is a rural fire protection district comprised of volunteers and it is incapable of providing adequate fire protection service to the Highway Patrol Academy. The determination is further based upon the fact that as tax exempt territory, the property used as the California Highway Patrol Academy would provide no income to any fire protection district to help defray costs of providing services to the Highway Patrol Academy. Since the State of California may provide fire service to property owned by it, it is in the best interest of the fire district and of the State of California to exclude said Academy from any fire protection district. In making this determination, this Commission also finds that the State of California may provide fire service to the Academy by contracting for that service, on a fee basis, with any fire protection district in the area which is capable of providing adequate service.

7. Said reorganization shall be subject to the following terms and conditions:

a. The effective date of the reorganization shall be the date of filing a certified copy of the Certificate of Completion with the Yolo County Recorder.

b. That the boundaries of the territory to be reorganized, including the territory to be detached from the Elkhorn Fire Protection District, and the territory to be annexed to the Westgate Fire Protection District, shall be as set forth in Exhibit A, which is attached hereto and incorporated herein by reference.

8. That there were no written protests filed by landowners or

9. Within five (5) days after adopting this resolution, the Clerk of this Board shall transmit a certified copy of it by registered mail to the executive officer of the Yolo County Local Agency Formation Commission.

10. The Clerk of this Board is hereby directed to file a "Notice of Determination" as provided by law.

(Resolution Ordering Exclusion of the Classification of Psychiatrist from the General Unit and Inclusion of that Classification in the Management and Confidential Unit)

WHEREAS, heretofore A. Clifton Lamb, M.D., Audrey Mertz, M.D., and Ralph Allison, M.D. have filed a petition praying for the exclusion of the classification of psychiatrist from the General Unit and inclusion of that classification in the Management and Confidential Unit; and

WHEREAS, that petition was set for hearing and notice thereof was given in the manner prescribed by law and to Yolo County Government Employees Association (the organization recognized to represent the General Unit) and to Yolo County Management Association (the organization recognized to represent the Management and Confidential Unit) and to the petitioners; and

WHEREAS, said petition was accompanied by proof of unanimous approval by the employees in the classification set forth in the petition;

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND AS FOLLOWS:

1. That the foregoing recitals are true and correct.

2. The proceedings heretofore have been taken in accordance with law and the petition is accompanied by written proof satisfactory to this Board of Supervisors that it has unanimous approval by the employees in the classifications set forth in the petition.

3. The proposed exclusion of the classificaton of Psychiatrist from the General Unit and the inclusion of that classification in the Management and Confidential Unit is hereby found and ordered to be appropriate.

4. The classification of Psychiatrist is hereby ordered excluded from the General Unit and included in the Management and Confidential Unit.

modified are appropriate in that:

a. It establishes the largst presently feasible group of management and confidential employees.

b. Such conclusions are based upon the past history of employee relations among County employees in that such history has demonstrated the advisability of separating psychiatrists from the General Unit in that:

(1)Their relations with other employees within the General Unit are supervisory in nature as to the treatment of patients and in that regard the psychiatrists are more appropriately associated with a management unit than a rank and file unit.

(2) Such history has demonstrated a closer community of interest between the psychiatrist and the management and confidential employees within the unit in that there are no physicians in the general unit and there are professional employees within the management and confidential unit.

c. There is a similarity among the duties, responsibilities and working conditions of the members of the management and confidential unit and the psychiatrist consisting of supervisory responsibilities.

d. The action taken herein does not make an unreasonable division of a classification of two or more units and has no such affect on the existing classification structure.

6. This resolution shall be effective July 1, 1981.

WHEREAS, the Board of Supervisors of the County of Yolo met as a Board of Equalization this 7th day of April, 1981, for the purpose of hearing all objections presented to it regarding the correctness of any assessment concerning the Yolo-Zamora Water District; and

WHEREAS, the Board of Supervisors this date heard all objections presented and all testimony relevant to said objections; and

WHEREAS, the district assessor before the hearing was closed added the total values as determined by this board, determined the gross assessed valuation of all the land, and made a statement thereof; and also included therein a statement that the total net acreage in the district subject to tax on an acreage basis was 20,625.512 acres; and

WHEREAS, all of the provisions of Division 13, Part 7 of the Water Code of the State of California pertaining to assessments have been fully complied with; and

WHEREAS, after the determination of the gross assessed valuation of all the land in the district and the filing of said statement by the district assessor with the Board of Supervisors, the board considered Resolution No. 81-2 of the Yolo-Zamora Water District, a copy of which was prior to the date of hearing filed with the Board of Supervisors, and which provided that the district elected thereby to levy a special assessment of an equal amount upon each acre of land within the district sufficient to defray all expenses as estimated by the board and to be incurred for the general benefit of the district under the provisions of Section 36576 of the Water Code, and determined that the sum of $1.08 per acre would be a sufficient assessment to levy on each acre of land

within the said district in order to defray such expenses and did thereby order the levy and collection of said assessment on each landowner within the district for fiscal year 1981-82 for each acre of land within the district; and

WHEREAS, although the assessments for the Yolo-Zamora Water District have been equalized and determined, it is no longer necessary to fix an ad valorem rate of assessment for said district, but on the contrary it is necessary under the provisions of Section 36576 of the Water Code of the State of California to levy a special assessment of an equal amount on each acre of land within the district sufficient to defray all expenses as estimated by the Board of Directors and filed with the County Board of Supervisors on March 3, 1981, in the total sum of $22,350.00; and the sum of $1.08 per acre is sufficient assessment to levy on each acre of land within the district as aforesaid,

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the Board of Supervisors acting as a Board of Equalization not fix an ad valorem rate of assessment upon each $100.00 in value of the land assessed in the Yolo-Zamora Water District inasmuch as the Board of Directors of said district has elected to levy a special assessment on an acreage basis; and the Board of Supervisors does in the alternative levy a special assessment of $1.08 per acre on each acre of land within the district, said special assessment being sufficient to defray all expenses as estimated by the Board of Directors of the Yolo-Zamora Water District and filed as an annual estimate with the Yolo County Board of Supervisors on March 3, 1981, (in the total sum of $22,350.00) for fiscal year 1981-82.

RESOLUTION NO. 81-60

ESTABLISHING APRIL 1981 AS V.D. AWARENESS MONTH

WHEREAS, It has come to the attention of the members that the annual program on the dangers and prevalence of venereal diseases is being conducted during the month of April 1981 by the California Venereal Disease Advisory Council, the California Medical Association, the California Pharmaceutical Association, and Others:

WHEREAS, The purpose of the program is to reduce the incidence of, and to control, venereal diseases, by educating the public regarding these sexually transmitted diseases, motivating individuals to respond actively to advice based on the understanding of the clinical and epidemiological features of the diseases, and creating an environment in which individuals who suspect they have the disease will readily come forth and seek treatment; and

WHEREAS, Through a lack of information, far too many young women are the unwitting victims of gonococcal pelvic inflammatory disease (PID), the most common complication of gonorrhea, and these women are robbed of the future choice of motherhood through sterility; and

WHEREAS, In addition, Herpes Simplex Virus I and II, a viral infection for which there is no cure, currently exists at epidemic levels, and may be transmitted by pregnant women to their infants, which could be fatal; and

WHEREAS, Medical scientists also suspect a possible link between genital herpes in women and cervical cancer; and

WHEREAS, At a time in which sexually transmitted disease information and education are often neglected in our society and distorted attitudes and myths about sexually transmitted disease contribute to their spread in a society that has the technology for treatment and cure, it is important that the general public be made aware of the dangers and treatment of these conditions.

NOW THEREFORE, Be it resolved that the Yolo County Board of Supervisors proclaims April 1981 as "Venereal Disease Awareness Month", and that copies of this Board resolution be transmitted to all interested parties by the County Department of Health.

WHEREAS, said 1913 Act proceedings provide for the issuance of improvement bonds pursuant to the Improvement Bond Act of 1915, Division 10 of the Streets and Highways Code; and

WHEREAS, the assessment and diagram in said 1913 Act proceedings have been recorded in the office of the County Director of Public Works pursuant to Section 10600 of the Streets and Highways Code and a notice of assessment and diagram, along with a list of owners of property assessed, have been recorded with the County Recorder pursuant to Section 3114 of said Streets and Highways Code and Section 27288.1 of the Government Code; and

WHEREAS, this Board, in anticipation of calling for sealed bids for the purchase of said improvement bonds, desires pursuant to Section 8650.1 of the Streets and Highways Code, to preliminarily establish the denomination of the improvement bonds and the amount to mature each year which will be other and different than that provided in Section 8650 of said Code; and

WHEREAS, in anticipation of receipt of an offer from the Farmers Home Administration of the United States Department of Agriculture (FmHA) to purchase the subject bonds, this Board wishes to provide for issuance of a single, fully registered bond and to prescribe the form thereof, to be issued to any successful bidder, at the option of such bidder, in lieu of the serial coupon bonds which will otherwise be issued;

NOW, THEREFORE, the Board of Supervisors of the County of Yolo, State of California DOES HEREBY RESOLVE, DETERMINE AND ORDER as follows:

Section 1. In accordance with the proceedings heretofore taken, improvement bonds to be designated Series 1981-1 will be issued pursuant to Section 8650.1 of said Improvement Bond Act of 1915.

The total amount of bonds to be issued is $561,970.00 based upon the total assessments levied by this Board on January 6, 1981, upon the several parcels of land in this district.

The bonds will be dated for the date of delivery, and they will mature over a period of twenty-five (25) years. The maturity schedule attached hereto as Exhibit A (and by this reference incorporated herein) shall apply, providing for bonds numbered 1 to 113, inclusive, in the denomination of $5,000.00, except for Bond No. 1, which is in the amount of $1,970.00 as set forth in Exhibit A.

Said improvements bonds shall mature on July 2 in the specified year of maturity. The bonds shall bear interest at such rate or rates as are determined by the successful bid received for the purchase of the bonds on May 26, 1981, but not to exceed ten percent (10%) per annum. Each bond shall have coupons attached

thereto representing interest from the date of the bond until January 2, 1982, and each subsequent coupon will represent interest to the next July 2 or January 2 until the maturity of the bond.

Said bonds may be redeemed and paid in advance of maturity upon the second day of January or July in any year by giving the notice provided by law and by paying 105% of the principal (except as waived by FmHA) and accrued interest to the date of redemption.

The bonds shall be signed by the County Treasurer of Yolo County and by the County Clerk of said County, and said Clerk shall also affix the corporate seal of the County to said bonds. The coupons affixed to said bonds may be signed by said County Treasurer by an engraved, printed or lithographed facsimile signature.

with interest thereon from the date hereof at the rate of five percent (5%) per annum, all as is hereinafter specified, and at the office of the Treasurer of the County of Yolo, Woodland, California.

This bond is issued in lieu of the and represents the bonds above designated, all of like date, tenor and effect, but differing in amounts and maturities; is issued by said County under said law for the purpose of providing means for paying for the work and improvements described in said resolution of intention; is secured by the moneys in said redemption fund and by the unpaid assessments made for the payment of said work and improvements; and, including principal and interest, is payable exclusively out of said fund.

The interest is payable semiannually, to wit: On the second days of January and July in each year hereafter, provided that the first interest is payable on the second day of January, 1982. The bonds represented by this bond will continue to bear interest after their respective maturity dates at the rate above stated; provided this bond is presented on such dates and payment is refused upon the sole ground that there is not sufficient money in said redemption fund with which to pay same. The County may redeem and pay in advance of maturity, upon the second day of January or July in any year, such portion of the principal amount hereof as would represent the principal amount of the appropriate serial bond of the series of bonds in lieu of which this single bond has been issued, as determined by reference to the maturity schedule (and related bond numbers) set forth above. Such redemption shall be accomplished by payment of the amounts prescribed and in the manner prescribed in the resolution providing for the issuance hereof and the related provisions of the Improvement Bond Act of 1915. Such redemption shall be recorded by the County Treasurer on the record of redemption provided hereafter on this bond at the time thereof.

This bond shall not become valid or obligatory for any purpose until registered as to principal and interest in the registry books of the Treasurer and in the space provided on the back of this bond. This bond may be transferred by the registered owner, in person or by duly authorized attorney in writing, upon surrender of this bond for registration of such transfer, together with a duly executed written instrument of transfer in the form hereon or in a form approved by the Treasurer. No transfer shall be valid until entered in said registry books and endorsed upon the back of this bond by the Treasurer.

This bond may be exchanged at the expense of the County for serial coupon bonds of like series, of denominations and maturities, and in the manner provided in the resolution providing for the issuance hereof, upon 90 days notice.

This bond is given as evidence of a loan to the County made by the United States of America pursuant to the Consolidated Farm and Rural Development Act, and shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, the County of Yolo has caused this bond to be signed by the Treasurer of the County of Yolo, and by its Clerk, and has caused its Clerk to affix hereto its corporate seal, all on the _____ day of _____, 1981.

| 2006 | 106-113 | 5,000.00 | 40,000.00 |
| | | TOTAL: | $ 561,970.00 |

Except as provided otherwise by paragraph 16 below respecting issuance of a single, fully registered bond in lieu of serial coupon bonds, the bonds will be issued in $5,000 denominations, except for bond No. 1 which will be in the amount of $1,970.00.

6. INTEREST. Each bond will bear interest from its date at a rate not to exceed ten percent (10%) per annum. Each bond shall have coupons attached representing semiannual interest. The first coupon on each bond will represent interest from the date of the bond until January 2, 1982, and each subsequent coupon will represent interest to the next July 2 or January 2, as the case may be, until the maturity date of the bond.

7. PAYMENT. Both principal and interest on this issue are payable in lawful money of the United States at the office of the County Treasurer of the County of Yolo, 725 Court Street, Woodland, California.

8. BEARER BONDS. Unless the successful bidder exercises the option specified in paragraph 16 below for issuance of a single, fully registered bond, the bonds will be issued as negotiable instruments payable to bearer. Unless thereafter registered, title to each bond may be passed by physical delivery.

9. ADVANCE OF MATURITY. The issuer at its option may advance the maturity of any bond to the next interest payment date following the publication of a sixty-day notice of call. Upon call, the bondholder shall receive interest to the date of call, the principal of the bond and a redemption premium in the amount of five percent of the principal.

10. LIMITED OBLIGATION. Bonds issued under the provisions of the Improvement Bond Act of 1915 of the State of California are limited obligation bonds. These bonds are not a general obligation of the issuer, and the full faith and credit of the issuer is not pledged to the payment of either principal or interest of the bonds. The obligation of the issuer is strictly limited by the specific provisions of the Improvement Bond Act of 1915. Furthermore, performance by the County of the limited obligation prescribed by said 1915 Act provisions has been affected by the adoption on June 6, 1978, of Proposition 13 (the Jarvis-Gann Initiative), which added Article XIIIA to the California Constitution, and by subsequent enactments of the California State Legislature to implement Article XIIIA.

11. SECURITY. These bonds are secured by assessments levied against the several parcels of property in Assessment District No. 117, Bryte Assessment District No. 1. Principal and interest installments of the assessments are collected annually, as a separately stated item on the tax roll on which general taxes for real property are collected. These installments are deposited in a bond redemption fund, which constitutes a trust fund for payment of bond principal and interest.

Each unpaid special assessment constitutes a lien on the specific parcel of property against which the assessment was levied. The lien is subordinate to all unpaid fixed special assessments previously levied, has priority over any fixed special assessment which may subsequently be levied, and has parity with the lien for property taxes.

12. ADDITIONAL SECURITY. If any property owner fails to pay the annual installment of a special assessment when due, the property is sold in the same manner as for delinquency on the payment of property taxes. Under the provisions of the 1915 Act, the County is obligated to purchase the property at the tax sale and, as an incident to such purchase, to transfer into the bond redemption fund the amount of the delinquent installments. The County's obligation to make the transfer continues for each year until either the delinquencies are redeemed or the property is sold for cash to a third party.

The 1915 Act provides that in the event insufficient moneys are available to make the required transfer, the County is obligated to include in its next annual property tax levy an amount sufficient to make the transfers, but not to exceed 10¢ per $100 assessed valuation in any year. However, in the opinion of counsel, the legal authority for such special tax levy has been abrogated by the adoption of Article XIIIA of the California Constitution and the subsequent enactments of the California State Legislature to implement Article XIIIA, with the result that, under present California law, the County has no legal authority to levy such a special ad valorem property tax.

13. LEGAL OPINION. The legal opinion of Sturgis, Ness, Brunsell & Sperry a professional corporation, Suite 1150, Watergate Tower, 1900 Powell Street, Emeryville, Ca. 94608, approving the validity of the bond issue will be furnished without charge to the successful bidder. This law firm has been retained by the issuer as bond counsel on a contingent fee payable solely from the proceeds of the bond issue.

14. TAX EXEMPTION.. In the opinion of bond counsel, interest on the bonds is exempt from federal income taxes and from State of California personal income taxes under existing statutes, regulations, rulings and court decisions.

15. ARBITRAGE. The issuer will furnish to the purchaser, at the time of bond delivery, a certificate that the bonds are not arbitrage bonds within the meaning of Section 103 (c) of the Internal Revenue Code.

16. REGISTRATION. Any bond may be registered as to both principal and interest. Any registered bond may be transferred, deregistered, or reregistered at the expense of the bondholder. If specified by the successful bidder, the total issue may be represented by a single, fully registered bond, payable in installments maturing at the times and in the amounts set forth in the final maturity schedule.

17. RATING. The issuer has not sought to obtain a rating of this issue from any bond rating agency.

18. LITIGATION. There is no pending litigation contesting the validity of the assessments or the bonds of this issue. The thirty-day period prescribed by Section 10400 of the California Streets and Highways Code for the filing of any such litigation expired on February 6, 1981.

## THE BIDDING

19. PRICE. Bidders must specify the price at which they propose to purchase the issue. Bidders are requested to specify the price as a percentage of the par value of the issue, but bids specifying a dollar price will be accepted.

20. MINIMUM PRICE. Bids must be for not less than the par value of the issue. Any bid for less than the par value will be rejected.

21. SPECIFICATION OF RATES. Bidders must specify the interest rate which bonds of each maturity date shall bear. All bonds maturing on the same date must bear the same rate of interest, but different rates of interest may be bid for bonds maturing on different dates. The difference between the highest and lowest rates bid may not exceed two percent (2%). The interest payable on any bond on any interest payment date may be represented by only one coupon. Each interest rate must be specified as a multiple of 1/40 of one percent (.025%) per annum.

22. BID CALCULATION. Each bid will be calculated on the basis of its net interest cost. Net interest cost is the amount determined by subtracting the amount of bond premium from the total coupon interest payable on all bonds over the life of the issue, without adjustment for the factor of time of payment or accrual. In calculating interest, the calendar year will be treated as having 360 days and each calendar month, 30 days. Bidders are requested, but not required, to state in their bids the net interest cost or net interest rate, or both. This statement will be treated as informational only and will not affect the calculation of bids or award of the bonds. Award of the bonds, if made, will be made to the bidder offering to purchase the bonds at the lowest net interest cost to the issuer.

23. FORM OF BID. All bids must be unconditional and for not less than all of the bonds in this issue. Bids must be enclosed in a

sealed envelope, addressed to the County Clerk of the County of Yolo, and marked "Bid for Bonds, Assessment District No. 117, Bryte Assessment District No. 1."

24. BID CHECK. No bid check is required for this issue.

25. RIGHT OF REJECTION. The Board of Supervisors of the County of Yolo reserves the right at its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

26. PROMPT AWARD. The Board of Supervisors of the County of Yolo will award the bonds or reject all bids not later than forty-eight (48) hours after bids are opened.

27. BOND PRINTING. The issuer will pay the cost of printing the bonds.

28. DELIVERY. Bonds shall be delivered on their date or as soon thereafter as they are ready for delivery. The purchaser shall have the right to cancel the purchase if the bonds are not tendered within sixty (60) days after the bid date.

The bonds will be delivered at the office of the County Treasurer, County of Yolo, 725 Court Street, Woodland, California, or at any other place mutually agreed on between the County Treasurer and the purchaser. Payment for the bonds must be made in funds immediately available to the issuer. RESOLUTION AMENDING COLLECTION CHARGE

ASSESSMENT DISTRICT NO. 117,
BRYTE ASSESSMENT DISTRICT NO. 1

The Board of Supervisors of the County of Yolo resolves:

Installments of special assessments in Assessment District No. 117, Bryte Assessment District No. 1, are to be collected by posting to property tax rolls in accordance with the Improvement Bond Act of 1915. Said act, in Section 8682 of the Streets and Highways Code, provides that the amount of 1/4 of 1% of each installment be added to the installment to cover the expense of collection, but that this percentage may be increased to a maximum of 1% to cover higher estimated costs of collection.

Because the amount of assessment installments in Assessment District No. 117, Bryte Assessment District No. 1, is relatively small by virtue of the long bond term and low interest rate, the County Auditor estimates that the cost of collection will exceed 1% of the installment amounts.

Therefore, pursuant to Section 8682 of the Streets and Highways Code, the Board of Supervisors hereby increases the collection charge for assessment installments in this assessment district to the amount of 1% of each installment of principal and interest. The Board of Supervisors hereby finds that the expense of collection will exceed the amount of the collection charge as amended.

F. provide a potential decentralization mechanism for other California Arts Council programs;

G. prevent duplication and overlap between federal (administered through California Arts Council), state, and local program funds;

H. provide for increased employment of artists;

I. stimulate the local economy.

## FAIR EMPLOYMENT PRACTICES ADDENDUM

1. In the performance of this contract, the Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, sex*, age*, national origin, or physical handicap*. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, ancestry, sex*, age*, national origin, or physical handicap*. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. 2. The Contractor will permit access to his/her records of employment, employment advertisements, application forms, and other pertinent data and records by the State Fair Employment Practices Commission, or any other agency of the State of California designated by the awarding authority, for the purpose of investigation to ascertain compliance with the Fair Employment Practices section of this contract.

3. Remedies for Willful Violation:

(a) The State may determine a willful violation of the Fair Employment Practices provision to have occurred upon receipt of a final judgement having that effect from a court in an action to which Contractor was a party, or upon receipt of a written notice from the Fair Employment Practices Commission that it has investigated and determined that the Contractor has violated the Fair Employment Practices Act and has issued an order, under Labor Code Section 1426, which has become final, or obtained an injunction under Labor Code Section 1429.

(b) For willful violation of this Fair Employment Practices provision, the State shall have the right to terminate this contract either in whole or in part, and any loss or damage sustained by the State in securing the goods or services hereunder shall be borne and paid for by the Contractor and by his/her surety under the performance bond, if any, and the State may deduct from any moneys due or that thereafter may become due to the Contractor, the difference between the price named in the contract and the actual cost thereof to the State.

**See Labor Code Sections 1411 - 1432.5 for further details.*

## ARTICLE 11.

Section 3640. *GENERAL STATE REQUIREMENTS:*

(1) The following requirements, in addition to any special conditions incorporated in the California Arts Council Funding Criteria, are applicable to and binding upon recipients of grants from the California Arts Council.

(2) *NOTE:* Federal funds cannot be used to match Federal funds. Most of the funds that are allocated in grants from the CAC are State funds. However, the Council also receives funds from the Federal Government. Therefore, some grants programs contain both federal and state funds. Caution should be used to insure that the proper matching occurs.

Section 3644. *PROJECT DEFINED:* As used in these provisions, the term "project" shall be deemed to include a specific project or program, or administrative or on-going support for the organization affected.

(1) *EXCESS COSTS:* In the event that the project costs exceed the amount specified in the approved budget, grantee agrees to complete the project and fund the cost above said budget from sources other than State funds.

(2) *COST DISALLOWANCE:* Grantee agrees to use the grant funds solely for the purposes of the approved project. Cost items for the purpose of determining the "cost" of the project, as that term is used in these requirements, shall include cash expended (or in lieu thereof, contractual obligations incurred for the project) and the fair value, as determined by the Council, of services or products actually incorporated therein. The burden of proof shall be upon the grantee to establish such cost items, and such cost items may be disallowed if not adequately supported by the records. Should grantee misapply any grant monies, and fail to make restitution to the State of any amounts due under the terms of the grant agreement, in addition to any other remedy provided by law, the State shall have, to the extent of its appropriate claim, an ownership in any funds or property acquired with the use of such misapplied funds.

(3) *ASSIGNMENT OR TRANSFER:* This grant, or the project relating to this grant, shall not be assigned, sub-let, or transferred, in whole or in part, without the prior concurrence of the California Arts Council.

(4) *RETURN OF GRANT FUNDS EARMARKED BUT NO LONGER REQUIRED FOR SPECIFIC ITEMS:* Where the budget specifies that grant funds are to be used for specific items, and subsequent to the receipt of the grant, the grantee obtains the same without cost, or at a reduced cost, the saving, except for good cause in the judgment of the California Arts Council, shall be promptly returned to the State.

(5) *INDEMNITY CLAUSE:* Grantee agrees to defend the State of California, its officers, agents and employees, against any claims and to pay any judgments obtained against the State of California, its officers, agents and employees, arising from any services or materials furnished, or any injuries or other damages suffered by any party in connection with the conduct of the project, and agrees to hold the State harmless.

(6) *TERMINATION:* If the California Arts Council determines subsequent to the approval of the project, (1) grantee has failed to perform any of its obligations under the grant, (2) grantee has assigned, sub-let, or transferred any part of the project in violation of Section 3 above, or (3) violated any of the other conditions of the signed contract, Council may in its discretion terminate in whole or in part, the grant upon written notice to the grantee specifying the services terminated and the effective date of termination. Within 60 days of such termination, grantee agrees to furnish the State an itemized accounting of funds expended, obligated and remaining under the grant. Grantee right of appeal is determined by the regulations of the State Control Board.

(7) *REDUCTION OF STATE'S GRANT:* Notwithstanding any other provision of these requirements, should the project, to time of completion, or termination in whole or in part, cost less than the approved budgeted amount on which the grant was based, grantee's matching amounts (including funds, or services or products incorporated into the project in lieu thereof) shall be conclusively deemed to have been expended first, and the grant shall be reduced by any amounts remaining after completion or termination of the project. Such remaining amounts shall be promptly forwarded to the Arts Council.

(8) *TRAVEL EXPENSES:* Limitation on Allowable Costs – The California Arts Council will not recognize as a matching cost, travel expenses, though included in the project budget.

(9) *COSTS RECORDS:* Grantee shall maintain complete, accurate and current records of all income, including obligations incurred with respect thereto. Such records, or copies of such records, shall be kept separate from other cost records. During the duration of the project and for not less than four years after completion or termination of the project, grantee shall make available for examination or audit any books, documents, papers or records pertaining to the project, to the California Arts Council, State Controller or where pertinent, the Federal Government. Upon request of such parties, grantee shall furnish at its own expense legible copies of material they deem pertinent.

(10) *EVALUATION AND EXPENDITURE REPORTS:* Grantee agrees to furnish at such times during or upon the completion of the project, as may be determined by the State, and where requested by the State, on forms furnished by the State, evaluation and expenditure reports relating to the project.

(11) *INDEPENDENT CONTRACTOR:* Grantee shall not represent to any person, foundation, group, organization or government entity, whether employed by it or not, that it is acting as agent for the State or that it is entitled in any way to act or incur obligations on behalf of the State.

(12) *FAIR EMPLOYMENT PRACTICES ADDENDUM:* The Fair Employment Practices Addendum, Standard Form 3, (8/78) as amended from time to time, is herewith made a part of these General State Requirements.

(13) *THIRD PARTIES:* Nothing contained in the terms of the grant shall create or give to third parties, any claim or right of action against the State.

(14) *APPROVALS BY DEPARTMENTS OF FINANCE AND GENERAL SERVICES:* This grant shall not be deemed accepted, valid, or binding, on the part of the State unless approved by the Departments of Finance and/or General Services of the State of California, where their approval is required.

(15) *ENTIRE AGREEMENT:* The terms of the grant, when the grant has been made, constitute the entire understanding between the parties hereto and no statement, promise, condition, understanding, inducement, or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid. After the grant has been accepted by the parties, the terms of the grant shall not be changed, modified, or altered in any manner, except by an instrument in writing executed by the parties hereto, subject, where required, to the approvals of the Departments of Finance and/or General Services.

(16) *FEDERAL MINIMUM WAGE REQUIREMENTS:* Grantee agrees that where the grant consists in whole or in part of Federal funds, and/or State funds that all professional performers and related or supporting personnel employed on the project will be paid, without subsequent deduction or rebate on any account, not less than the minimum compensation as determined by the Secretary of Labor to be the prevailing minimum wage of the State of California for persons employed in similar activities. For the proper construction of this section, grantee is referred to Part 505 of Title 29 of this Code of Federal Regulations, as last amended June 19, 1972, and as it may be further amended from time to time.

(17) *MENTION OF THE "CALIFORNIA ARTS COUNCIL" AND "NATIONAL ENDOWMENT FOR THE ARTS" OR ANY FEDERAL AGENCY SUPPORT:* In any printed, visual or recorded matter, or in any exhibition, display or performance, which describes or is prepared in connection with, or results in whole or part from the grant, mention shall be made of the California Arts Council's support, and where the grant is derived in whole or in part from Federal funds, of the support of the Federal Agency. Copies of printed matter containing such mention should be sent to the CAC with the evaluation report required by the terms of the grant. Any documents containing such mention shall specify that any findings, opinion, or conclusions contained therein are not necessarily those of the California Arts Council and, where applicable, not necessarily those of the Federal Government or the National Endowment for the Arts.

(18) *EVALUATION:* The final ten percent (10%) of the grant award will be withheld until grantee has submitted the final evalution report.

# 504 - HANDICAPPED REGULATIONS

## Regulations for Nondiscrimination on the Basis of Handicap

These regulations implement section 504 of the Rehabilitation Act of 1973, Pub. L. 93-112, 29 U.S.C. 794. Section 504 provides that "no otherwise qualified handicapped individual shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance." The regulations define and forbid acts of discrimination against qualified handicapped persons in programs and activities receiving federal financial assistance from the National Endowment for the Arts. As employers, recipients are prohibited from engaging in discriminatory employment practices on the basis of handicap and must make reasonable accommodation to the handicaps of employees unless the accommodation would cause the employer undue hardship. As providers of services, recipients are required to make programs operated in existing facilities accessible to handicapped persons, to ensure that new facilities are constructed in a manner readily accessible to handicapped persons, and to operate their programs in a nondiscriminatory manner.

Grantees receiving only State funds should be aware that the State is in the process of issuing similar regulations and that grantees will be required to adhere to the regulations during the course of this FY 80-81 grant even if they are not receiving federal NEA funds.

RESOLUTION OF INTENTION NO. 81-136

RESOLUTION OF INTENTION TO ORDER IMPROVEMENTS IN NORTHPORT INDUSTRIAL PARK PHASE I ASSESSMENT DISTRICT, YOLO COUNTY, CALIFORNIA

The Board of Supervisors of the County of Yolo resolves:

This Board intends to order the following acquisition of improvements under the authority of the Municipal Improvement Act of 1913.

> The acquisition of street improvements, including clearing, grading, subbase, base, pavement, curb and gutter, driveways and sidewalks; the acquisition of storm drainage facilities and appurtenances; sanitary sewers, sewer lift station and appurtenances; system of domestic water supply, including fire hydrants; system of conduits, manholes, splice boxes, and pull boxes for the installation of an underground electrical distribution system, and all other improvements and appurtenances necessary for a complete scheme of public improvements in Tract 2970, Yolo County, California.

This Board finds that the land specially benefited by the improvement is shown within the boundaries of the map entitled, "Amended Proposed Boundaries of Northport Industrial Park Phase I Assessment District, County of Yolo, State of California." This map has been approved by the Board and is now on file with the Clerk of the Board. The land within the exterior boundaries shown on the map shall be designated Northport Industrial Park Phase I Assessment District, Yolo County, California.

This Board intends to levy a special assessment upon the land within the described district in accordance with the special benefit to be received by each parcel of land, respectively, from the improvement. There shall be omitted from special assessment all public streets, alleys and places and all land belonging to the United States, the State

of California and this County now in use in the performance of a public function.

Serial bonds representing unpaid assessments of One Hundred Fifty Dollars ($150) or more, and bearing interest at the maximum rate of 10% per annum, or such higher rate as may be authorized by law at the time of the sale of bonds, will be issued in the manner provided in the Improvement Act of 1911 (Part 5 of Division 7, Streets and Highways Code), and the last installment of the bonds shall mature nine (9) years from the second day of January next succeeding the next September 1st following their date. The bonds shall be payable to bearer and shall include a redemption premium of five percent (5%) of the unmatured principal.

In case of default, there shall be added to the defaulted amount two percent (2%) of the amount thereof, and on the 1st day of each month following such default there shall be added a further penalty of two percent (2%) of such defaulted amount. The two percent (2%) penalty first imposed and all subsequent penalties shall be paid to the holder of the bond along with and as a part of such defaulted payment.

This Board intends to enter into agreements with the following entities, under the provisions of Section 10110 of the Streets and Highways Code, inasmuch as certain facilities included in the improvement are to be under their ownership, management and control:

1. East Yolo Community Services District.
2. Washington Water & Light Company

This Board finds that the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (commencing with Section 2800, Streets and Highways Code) does not apply to these proceedings.

This Board appoints MURRAY SMITH & ASSOCIATES, ENGINEERING as Engineer of Work for this project, and directs the preparation of the report required by Section 10204 of the Streets and Highways Code.

The amount of any surplus remaining in the improvement fund after the completion of the improvement and payment of all claims shall be transferred to the general fund if the surplus does not exceed the lesser of one thousand dollars ($1000) or five percent (5%) of the total amount expended from the fund. Otherwise the entire surplus shall be applied as a credit on the assessment as provided in Section 10427.1 of the Streets and Highways Code.
